
Copyright transfer agreement

To be filled if you did not select the open access option

Title: <titre-article>

Author(s): <auteurs-article>

The copyright to this article is transferred to EDP Sciences (for U.S. government employee: to the extent transferable) and effective when the article is accepted for publication. The copyright transfer covers the exclusive right to reproduce, distribute and sell the article, including reprints, translations, photographic reproductions, electronic form (offline, online) or any other reproductions of similar nature.

Authors can make their article, published by EDP Sciences, available on their personal site, their institution's web site and Open Archive Initiative sites, provided the source of the published article is cited and the ownership of the copyright clearly mentioned. These must be not for profit sites. Reprint and postprint may be used (with the publisher's PDF). Authors are requested to create a link to the publisher's internet service. The link must be accompanied by the following text "The original publication is available at www.photoniques.com".

The Author(s) warrant that:

- the Article does not infringe any intellectual property rights (including without limitation copyright, database rights or trade mark rights)
- the Article has not been previously published or licensed,
- **if the Article contains materials from other sources (e.g. illustrations, tables, text quotations), Author(s) have obtained written permissions to the extent necessary from the copyright holder(s).**

The author signs for and accepts responsibility for realising this material on behalf of any and all co-authors.
